## Tree Pruning and Removal Application

Made under Clause 5.9 of the Canterbury Local Environment Plan 2012

The objective of the Canterbury Local Environment Plan 2012 (LEP) Clause 5.9 'Preservation of trees or vegetation' is to preserve the amenity of the area, including biodiversity values, through the preservation of trees and other vegetation. The LEP is supported by the Canterbury Development Control Plan 2012 (DCP).

The DCP Part 6.7.1(i) states: A person must not ring bark, lop, prune, remove, injure or deliberately destroy any trees 5m in height or greater and/or with a trunk diameter of 150mm or greater measured 1.4m above ground level without a permit or development consent granted by the Council.

A number of species are exempt from the LEP. For an exempt species list please go to our website or contact our Tree Preservation Officer.

### INSPECTION FEE

A fee of \$77 applies per inspection and assessment of a single tree. An additional fee of \$20 is charged for each additional tree. The fee must be paid by the applicant on submission of this application and is not refundable.
